

# James Bunch Memorial Scholarship

The James Bunch Memorial Scholarship was created for an Attica High School senior planning to attend college. Jim was a three-sport athlete at Attica. He played football and basketball, and he ran track. Jim still owns the record for the long jump that he set his senior year.

Jim went to Butler on a football scholarship. He later went to Indiana University for law school. He practiced law in Fountain County for many years and served as the Fountain County prosecutor during his career. Jim always supported Attica athletics through the years. He was proud of his school and proud of his town. We would like to honor him each year with providing a scholarship for an Attica senior.
