

## **Jay Hodge & Associates Scholarship (\$1,000.00)**

The Jay Hodge & Associates Scholarship was created by Jay and Barbara Hodge for an Attica High School senior planning to complete a post-secondary degree (2 or 4 year). Jay and Barbara Hodge both come from humble backgrounds and are dedicated to supporting students planning to complete a post-secondary degree program.

Jay Hodge began his career at the age of 21 as a United States Marine and completed his Bachelor of Science degree at the University of Wyoming after his five-year USMC enlistment. Jay and Barbara both know what it is like to sacrifice, persevere and overcome in the pursuit of a dream. By never giving up and refusing to settle for ordinary, over the last 25 years Jay has been blessed with success that spans leadership roles in world class companies like Ford, General Motors, Toyota, Caterpillar, and Tenet Healthcare. With the unwavering support of Barbara, in 2016 Jay started his own operational consulting company, Jay Hodge & Associates. As a less than stellar high school student, Jay believes that success is not always reflected in a GPA but is sometimes revealed as an individual discovers their passion and career aspirations.

The scholarship will be paid directly to the educational organization after the student has completed their first semester of study in the degree program.

### **Requirements:**

\*2.0 GPA or higher

\*Graduating student of Attica High School

\*Fill out application

\*One letter of recommendation
