

PSI IOTA XI

CANCER MEMORIAL

SCHOLARSHIP

Psi Iota Xi is a service sorority focusing on art, music, literature, speech and hearing. Therefore, it is our intent to award our scholarships to students who are pursuing those areas of interest. If we do not have an applicant that meets these requirements, all applications will be considered regardless of major. This scholarship is in memory of the ladies of our sorority who have lost their battle with cancer.

This scholarship began in 2008 after our four year Western Indiana Community Foundation fund had matured. It will be awarded to one Attica senior or one Seeger senior every year.

This application will be the same as our original Psi Iota Xi scholarship. In addition to that, we would like for the applicant to submit a one to two page essay on how cancer has affected you or your family.

Please complete the application along with your essay and return to the guidance counselor's office by March 1.
